The Guilderland Town Band (GTB) invites you to become a Patron of the Band and enjoy another year of great concerts. The GTB needs your support so that we can continue to bring you exceptional concerts and invite guest artists from outside the Capital District to enhance our concerts. We would also like to offer you new and innovative programs and would like to commission a composer to write a composition for the Band to premier during our 40th anniversary season in 2009.

We hope you will continue to support us by spreading the word about and attending our concerts as well as bringing a friend with you to the next concert. We would greatly appreciate it if you would consider becoming a Patron of the GTB. It has been an integral part of the Guilderland

Performing Arts Center's summer concert series since 1969 and without your support, will be unable to expand the variety of programs brought to you for your listening pleasure.

Please make your donation payable to:
