Thank You

As we celebrate the thirtieth anniversary of the Guilderland Town Band, we would like to take this opportunity to express a sincere thank you to the Town of Guilderland for its continued support. It has been a pleasure to be a part of the GPAC Summer Concert Series for the past twenty years. The opportunity to perform in such a magnificent facility is one of the reasons the band has grown, both in size and musicianship. One of the first things Col. Gabriel, our guest conductor for the July 22 concert said when he first saw GPAC was, “What a wonderful setting! A lot of cities would be pleased to have such a beautiful performing arts center!”

We are proud that the Town of Guilderland has supported the performing arts as an integral part of the Parks and Recreation Program. A special thank you to Dennis Moore, Director of Parks and Recreation, and to Ed Zyniecki, Superintendent of Parks, and their staff for their support and assistance in making our program run smoothly each summer. We would also like to thank the GPAC Board of Directors, stage manager Mary Beth Becker and her crew, and the corps of volunteers who assist GPAC each week.

Lastly, a big **thank you**. to our faithful audience. Thirty years ago, the audience was sometimes smaller than the number of players in the band. It is wonderful to play for an audience now numbering in the hundreds. We look forward to performing for you for many years to come.
