The Ruth Lawlor Memorial Gardens

We extend a sincere welcome to tonight's concert to the family and friends of Ruth Lawlor. Ruth was deputy supervisor of the Town of Guilderland for many years and a frequent member of our audience throughout her years of distinguished service to the community. The beautiful gardens, path and stone wall that have been under construction for the past two years, and adorn the approach to our performing arts center, were dedicated to Ruth's memory earlier this evening. We are pleased that the Parks and Recreation Department chose tonight for the dedication so we could take part and honor Ruth with our music. These lovely gardens are a fitting memorial to a wonderful person and a dedicated public servant.
