Melvin Schiff

Tonight's concert is presented in memory of Melvin Schiff, a clarinetist with our band for many years, who passed away in March. He was a member of many community bands and orchestras in the capital district in addition to the Guilderland Town Band. Melvin was a former member of the Schenectady Symphony Orchestra and earned his bachelors degree in Music Education at Lebenon Valley College. He was a resident of Schenectady and was a band director for many years in the Niskyuna schools. As you may know, the Guilderland Town Band dedicated one of their concerts back in 2000 at the time of his wife's passing who was a very special member of the band. As we think of both Mel and Betty we know that they have left us with gifts of fond memories and a true joy and passion for music. They will be dearly missed.
